## Letter

Dear Sir or Madam,

I am writing this letter with regards to a requirement of a <sup>full time</sup> baby sitter posted in Australian Times magazine on 23<sup>rd</sup> Sept. 2021

I have a great affection for kids babies and enjoy every moment with them. During my teenage, I used to take care of my 5 year old nephew when my aunt was away for her office work. When I read this advertisement my eyes were glued to it and looked forward to this job.

I have 3 years of full time experience in teaching primary school children. Hence, I have spent much of my time in teaching and taking care of children. Also, I find myself suitable for this job because I have a vast exposure to the psychology of kids and ~~can~~ know how to ~~take~~ discipline them.

I will be pursuing a Master of Business Administration from Melbourne University while I am in Australia. This will be a distance learning program and hence in my leisure time I will be studying for the same.

I am looking forward to hearing from you.

Yours faithfully,  
Akshay Kumar Sharma
