Dear Sir or Madam,

Dear Sir or Madam;

I am writing this letter to raise my concern regarding the inadequacy of garbage collection system in Goregaon area of Navi Mumbai. Due to it residents of this locality are having trouble in doing their day to day task.

I am residing at D-95 Goregaon East Navi Mumbai since ten years and have never faced cleanliness issue. But since few months the garbage collection system has completely failed and the situation is becoming worse day by day. Huge lump of garbage and dirt can be seen on either sides of the road causing bad smell in all over the locality.

The residents here including myself are facing challenges in driving in an out of our houses due to the dirt scattered all over the streets. The condition is worsening more due to the monsoon as the garbage gets into

our houses with the flow of water.

I would like you to personally administer this issue and order the cleanliness staff to the needful. Also, if possible, please arrange for pest control for our locality as breeding of insects has also started in the lumps of garbage.

~~I~~ I am looking forward to your quick response and action.

~~Yours~~ Yours faithfully
Akshay Kumar.
