

Dear Sir,

I am Ekta Nayyar, living in one of your rented flats NO-42, Side Park Society, tower A. I am writing to bring to your notice about the fault in geyser due to which my mates and I are not able to use hot water for the past one week.

~~Just~~ This is not the first time, I am complaining about ~~the~~ ^{some things} ~~issues~~ However I have discussed many times over phone regarding the problems we are facing such as broken window, termite in the wooden doors but it has been always ignored by your side. I cannot overlook this problem as it is difficult for all of us to survive without hot water in such a harsh winters.

As my exams are approaching, I ~~cannot~~ am not able to concentrate on my studies due to such problems, therefore, I would suggest you to take immediate action to resolve this problem. It is not even fixed by one of your workmen visited many times for the same.

~~As my~~ In addition to that my ^{rent} contract is ~~to~~ will be renewing from next month with 10% increment which I will ~~not~~ never accept under these circumstances.

I would suggest you to ~~take~~ replace
the old gyes with the new one as
separation is not possible.

I advise prompt action from your side
and looking forward to hearing from
you at the earliest.

Yours faithfully,
Eeta Nayyar
