

Dear John,

Thanks for accepting my request to take care of my house, while I'm out for a week vacation.

As you are familiar with Sony, my dog, it will great if you take him out once daily at least. I'm sure you will enjoy the walk ~~the~~ with him. Also, I have few plants on the sidewalk which will need watering twice, morning and evening. I hope it won't be much of a problem for you.

Please feel free to recontact me for any emergency on my cellphone, you already have my number. If not reachable, just drop a mail at m.stephen48@gmail.com and I'll get back you on seeing it.

I will bring <sup>your</sup> favourite box of Swiss chocolates on my return. Let me know, if you require anything else. Thanks again. See you soon!

Best regards,

Smith
