

Dear John,

I hope you and your family are doing well. I am happy to tell you that recently I have ~~on bought~~ purchased a new house which is around 400 km far from my earlier house.

The old house was very less spacious <sup>and</sup> ~~so~~ after having kids we were unable to accommodate all the family members.

Date:

there so I decided to buy a house and move there.

The new house is very large and has four bedrooms with attached bathrooms. The kitchen is also modular. The whole apartment is fully furnished.

On this Sunday, we are hosting a party and around 50 guests are coming, also are school friends are coming too.

I also request you to come in the party and ~~that~~ I will show you my new home and also have fun together.

I look forward to seeing you.

Best regards,
