

Invitation letter to friend.

Dear Swarna,

Hello! Hope you and your loved ones are doing fine. I am glad to inform you about my new residence at Shree Dham Society. It's been a month now I shifted here.

You Remember the other day we were having conversation over telephone that my brother-in-law has permanently changed his base location from U.S.A to India. He is currently staying with us. I must tell you it was getting difficult to accommodate him in a 1BHK flat.

Hence, we were in a lookout for spacious home i.e. 2BHK flat.

New house is located on 8th floor. It has a big living room, modernized kitchen and 2 spacious bedroom with balcony in each. View from both of the bedroom's is excellent as we are able to see the lake passing by and feel the fresh air at any given time of the day.

Why don't you plan to come and visit us one day. It will be a pleasure to welcome you to our new home.

Looking forward to meet you soon.

Best wishes,

Poonam
