

Dear Sir/Madam,

I am writing this letter to provide my feedback for the cooking course that I recently did in October in your institute.

The cooking ^{course} was taught by Mrs. Shweta Sharma to me. She is very nice, and a humble person. She taught me how to make different dishes, and how to make it tasty to eat. In the course, I learned the procedure to make my favourite dish that is Halwa. She also taught me how much quantity of material to prepare in making a dish. She has very good communication skills, and good teaching skills.

There are couple of things in the course structure that can be improved that is the duration of the course can be extended from one hour to two hours, so the students can learn the process easily. Secondly the frequent change in the class teacher should be avoided, as everyone have different teaching methods, and it gets difficult to understand their teaching methods.

I hope this feedback will be valuable and the changes will be done.

Yours Faithfully,
Bhonu Parthap
